## CAPABILITY STATEMENT

UEI: ETYLDMH63LM9	CAGE Code: 9Y1F2
NAICS: 485510, 485999, 485113, 485410	Small Business: SAM Registered

### Company Overview

NGONGE LLC is a U.S.-registered small business providing integrated ground transportation, logistics, and mission support services for federal, defense, and commercial sectors. Our operations combine precision scheduling, fleet coordination, and passenger logistics to ensure safe, compliant, and efficient movement of personnel and assets across government installations and mission sites.

### Core Competencies

- Passenger & Shuttle Transportation Services – fixed-route and on-demand shuttle operations
- Event & Mission Logistics Support – troop and personnel movement, conference and training logistics
- Fleet Management & Dispatch Systems – GPS-tracked, 24/7 dispatch coordination
- Executive & Secure Transport – confidential and safety-certified operations
- Sustainable Fleet Operations – low-emission, energy-efficient vehicles
- Nationwide Coverage – scalable service across CONUS installations and airports

### Differentiators

- Proven Federal Performance – Active DoD and Air Force contracts
- Mission-Critical Reliability – Redundant vehicle availability and real-time monitoring
- End-to-End Program Management – Integrated scheduling, maintenance, and reporting
- Safety & Security First – DoD, DOT, and TSA certified drivers
- 24/7 Operational Readiness – Continuous dispatch and mission support

### Federal Contract Highlights

- Department of the Air Force – USAFA 10 LRS Ground Services Bus BPA (Contract #FA700025A0002, Mar 2025–Mar 2030, \$250K)
- Department of the Army – Base-wide ground transport and logistics support
- Department of Defense – Shuttle coordination and training logistics support
